FASTFINISH™ PRO

TEXTURE SPRAY SYSTEM

MAXIMIZED PERFORMANCE FROM COMPRESSOR TO THE GUN NOZZLE

NEW FASTFINISH CONTINUOUS FLOW AIR COMPRESSOR

- Delivers over 30% MORE AIR FLOW than standard 2 HP air compressors for ultimate productivity and performance
- No-Maintenance design
- Long-life AC motor
- Jobsite proven!

NEW PRO-CART FEATURES ULTIMATE PORTABILITY AND DURABILITY

- Easy loading, transport and maneuvering
- No-tools collapsible handle makes storage a snap
- On/Off Switch
- Flat-proof tires
- Steel and ABS construction

NEW INTEGRATED STORAGE FEATURES

- Hose wrap and Gun Hook
- Nozzle storage

INCLUDES

- FASTFINISH CF9 Air Compressor
- FASTFINISH Hopper Gun with Nozzles

NEW FASTFINISH PRESSURE BOOSTED HOPPER GUN - UP TO 6X FASTER!

- Adjustable pressurized hopper sprays more consistent and allows more productivity
- Durable aluminum gun body easily handles jobsite abuse
- Angled 5.5 liter capacity allows longer spray times before refill
- No tools hopper clamp for easy disassembly
- Trigger adjustment for easy adjustment of flow rate
- Pressure-feed or gravity feed – you decide!

SPRAY IT ALL!

- Acoustics
- Drywall Mud
 - Knockdown
 - Splatter
 - Orange-peel
 - Popcorn
- Fine concrete overlays
- Deck Coatings
- Fireproofing
- Waterproofing

NEW NON-MARKING AIR HOSE

- Durable design with metal QD fittings

FASTFINISH™ CONTINUOUS FLOW AIR COMPRESSOR

THE PORTABLE, HIGH-OUTPUT CONTINUOUS FLOW AIR COMPRESSOR DESIGNED FOR TEXTURE SPRAYING

- Lots of spray power for better atomization and projection
- Tank-less design offers continuous airflow for uninterrupted spraying and no maintenance
- Optimized pressure and flow means no adjustments are needed
- Small and portable for easy maneuvering around any jobsite
- One-person loading

NEW HIGH-OUTPUT 9 CFM TANKLESS AIR COMPRESSOR

- **Delivers over 30% MORE AIR FLOW** than standard 2 HP air compressors for ultimate productivity and performance
- Tank-less design for lighter weight and less maintenance than standard compressors
- Oil-less design
- Std 1/4" QD hose connection
- Jobsite proven!

INCLUDES

- FASTFINISH CF9 Air Compressor

NEW HEAVY-DUTY AC MOTOR

- 100% duty-cycle compressor-grade motor offers longest life for years of service
- Long, 10 foot heavy 12 gauge power cord reduces need for extension cord

NEW PRO-CART FEATURES ULTIMATE PORTABILITY AND DURABILITY

- Light and portable for easy loading, transport and maneuvering
- No-tools collapsible handle makes storage a snap
- Flat-proof tires
- Steel and ABS construction
- Hose wrap and gun hook

NEW READY TO SPRAY!

- No dials or knobs to adjust
- Just turn on and spray
- Nothing could be easier!
- Perfect for use with any hopper gun or air atomizer kit

FASTFINISH™ PRESSURE-BOOSTED HOPPER GUN

FINISH UP TO 6X FASTER!

- LESS FATIGUE
- UNMATCHED FINISH CAPABILITY
- More productive than standard hoppers
- Projects materials farther – with less mess
- Sprays the widest range of materials and patterns
- Only from GRACO!

NEW INTRODUCING PRESSURE-BOOST TECHNOLOGY

- Pressurized hopper uses the systems air pressure to push material from the hopper
- Works by utilizing air pressure from incoming compressor air *without any loss in atomizing performance*
- Integrated Boost Control offers complete adjustment of material flow *right at the gun* to get the finish you need!

NEW DELIEVERS THE FINISH YOU NEED

- From Extra-Large Knockdown, to the finest Orange-Peel Finish, it sprays what others hoppers cannot!

INCLUDES

- FASTFINISH Hopper Gun
- 5.5 liter Pressure Hopper
- 4mm, 6mm, 8mm & 12mm Nozzles
- Small, Medium and Large Air Tips

NEW HEAVY-DUTY METAL GUN

- Aircraft aluminum body for light weight and durability
- Rear Needle Adjustment for precise pattern adjustment
- 4 finger trigger with trigger lock for easy continuous spray
- Integrated Pro-Flow Control

NEW 5.5 LITER HOPPER WITH SEALED LID

- Large capacity for less refills
- Sealed lid keeps material fresh and eliminates spills
- No-tools hopper clamp for easy removal

NEW CHROME STEEL NOZZLES AND AIR TIPS

- Heavy-duty construction for long life
- 4mm, 6mm, 8mm and 12mm material nozzles
- Small, medium and large air orifice tips for maximum control

SPRAY IT ALL!

- Acoustics
- Drywall Mud
- Knockdown
- Splatter
- Orange-peel
- Popcorn
- Fine concrete overlays
- Deck Coatings
- Fireproofing
- Waterproofing
- And more!

G-TEX™

GRAVITY-FED HOPPER GUN

THE FULL FEATURED
GRAVITY-FED HOPPER GUN
OFFERING COMPLETE
ADJUSTABILITY AND
CONTROL

NEW HEAVY-DUTY METAL GUN

- Aircraft aluminum body for light weight and durability
- Rear Needle Adjustment for precise pattern adjustment
- 4 finger trigger with trigger lock for easy continuous spray

NEW CHROME STEEL NOZZLES AND AIR TIPS

- Heavy-duty construction for long life
- 4mm, 6mm, 8mm and 12mm material nozzles
- Small, medium and large air tips for maximum control

INCLUDES

- Metal Hopper Gun
- 7.5 Liter Hopper
- 4mm, 6mm, 8mm & 12mm Nozzles
- Small, Medium and Large Air Tips

NEW LARGE 2 GALLON HOPPER WITH INTEGRATED HANDLE

- Large capacity for less refills
- Steep-sided for design keeps material flowing
- No-tools hopper clamp for easy removal
- Adjustable to spray decks, ceiling or walls

SPRAYS THE FULL RANGE OF MATERIALS AND FINISHES

- Acoustics
- Drywall Mud
 - Knockdown
 - Splatter
 - Orange-peel
 - Popcorn
- Fine concrete overlays
- Deck Coatings
- Fireproofing
- Waterproofing
- And more!
